

ARE YOU BEHIND?

GET SCREENED.

Nebraska has one of the highest colon cancer rates in the country. Did you know that when colon cancer is found early and treated, the survival rate is very high. If you're over 50 and haven't been screened for colon cancer, call the Nebraska Colon Cancer Screening Program at 800-532-2227. You may be eligible for a free or low cost colon cancer screening test.
